**OUR
CONCEPT**

AT THE BRAZILIAN, we serve our meats, fish and vegetarian options in a traditional Rodizio style, expertly carved and served directly at the table. Our gauchos will continue to offer you the latest cut from the grill until you say “Stop!!”

HAPPY TO SERVE all cuts to your taste

Our red meats are usually served medium-rare to medium. Let us know how you prefer yours cooked; rare through to well done - we are happy to serve all our cuts to your taste.
