### SOUR - 10

Spirit of choice, citrus, sugar & egg white, our favourites are Whiskey or Pisco! Finished with lemon & Angostura bitters.

Sours belong to one of the old families of original cocktails and are described in the 1862 book *How to Mix Drinks*. Sours are mixed drinks containing a base liquor, lemon or lime juice, and a sweetener, commonly with egg whites.

### OLD FASHIONED - 11

Jim Beam, sugar & bitters with a lick of orange.

The Pendennis Club, a gentleman's club founded in 1881 in Louisville, Kentucky, claims the old-fashioned cocktail was invented there. The recipe was said to have been invented by a bartender in honour of Colonel James E. Pepper, a prominent bourbon distiller.

### NEGRONI - 11

Bombay Sapphire Sunset Gin, Campari, Belsazar Sweet Vermouth, finished with a peel of orange.

Reported to have been invented at Café Casoni in Florence. Count Camillo Negroni reportedly asked his bartender friend to strengthen his favourite cocktail by replacing soda water with gin.

### DAIQUIRI - 9.5

Frozen – Bacardi Carta Blanc Rum, lime, sugar.

Supposedly invented by an American mining engineer who was in Cuba at the time of the Spanish American War. A US congressman who purchased the Santiago iron mines in 1902, later introduced the daiquiri to clubs in New York.
